

Ara Parseghian Medical Research Donor Privacy Policy

The Ara Parseghian Medical Research Foundation (APMRF) does not copy, reproduce, publish, post, distribute, share or sell, the name, personal contact information or description of donation of donor to any outside individual or business. Exceptions shall be those required by law, requested in grant applications or in connection with bank credit or debit card transactions that may be made without prior knowledge or consent of the donor.

The APMRF does acknowledge donors by name and/or description of donation, after the donors have given their written permission, in certain printed material such as newsletters, brochures, press releases, event invitations or programs, stationery, solicitation letters, the organization's website or other means of expressing appreciation for the donors' assistance. A donor wishing to view samples of these publications may do so by contacting the Foundation at the address below.

All donations shall be treated individually so that multiple donations from a single donor shall receive the same consideration as if each were the first donation received.

If a donor chooses to opt out of any acknowledgement listings in printed material, the donor's name and address will be made available only to members and/or staff of APMRF who are responsible for managing the business of the organization.

A printed copy of APMRF's Privacy Policy will be mailed to a donor upon request and is also available on the Foundation's website. All records of donations to APMRF shall be maintained by the corporation according to the applicable standards of record retention in effect at the time of the donation. All records will be maintained in a secure location of the Foundation.

A donor's photograph will not be used at any time without the donor's consent. In the case of a minor, permission will be obtained from the parent/guardian.
